

Once again it is with great honor Dansk Sportsdykker Forbund and Scorpenna invite you all to join the Öresund cup - The 4th Battle of Copenhagen - 2020.

The 4th Öresund cup will as usual take place in an old military fort just outside the center of Copenhagen. But this year we have also booked the neighbor fort "Middelgrundsfortet", so there are beds for all. The two forts is known from: Slaget på reden (The battle of Copenhagen), in 1801 - a big ship battle between most of the English and the Danish + Norwegian fleet. The British Lord Nelson drew the victory and around 2500 men were killed during the 4 hours the battle lasted.

This Battle we will fight in May 2020, will not be as meaningless and cold-blooded, even thou it will last more than **6 hours**.

The old military forts are the two largest man made islands in the world.

It will be a boat competition, with 3 spearoes in each boat - both team and individual. **There must be one from the team in the boat at all time - and the two in water *must* be connected to their buoys!!** Öresund is a place with a lot of current and a lot of boat and ship traffic - so therefore this rule! - GPS is allowed. All can mix up a team and participate.

Öresund is properly the best place to spearfish in Denmark in the spring and all the record cods are caught here. It is a place with lots of old shipwrecks and many grounds where the cod hangout in May. The fish can be found from 3 to 16 meters. May is also the period where the big turbot are in the shallow water.

There will be a maximum of 5 fish of each species.

The Scorpena team will be main sponsor and bring the very nice T-shirt and surface buoys to all participators. Also they will bring very nice prizes for the winner and the best prize goes to the biggest fish caught in Öresund. More info to come!

We will stay at **Flakfortet** and **Middelgrundsfortet**, where there are beds for more than 100 people. Here in the restaurant (Flakfort), we also will enjoy the gala-dinner (with space for more than 200 people), after-party and have breakfast Sunday morning. Everything is set for a crazy night on the island in the middle of Öresund.

The neighbor island **Middelgrundsfortet** (Undgomssøen) is 4,4 km north west of Flakfort. The fort was given to the Danish scouts some years back and has the last years gone thru a total update. Now it is open and is called the “youth island” and can host more the 550 persons a night. Here will only be base for sleeping, relaxing and bathing. Breakfast, dinner and party will be at Flakfort.

This year **it will be necessary that each team bring own boats** - if possible (It is possible to rent a boat near Copenhagen, but only a few). If you come from abroad alone and would like to join, then contact William and maybe there is a space on a Danish boat.

There are 5 small boats(rib with 25 HP) that foreign teams can rent for 40 Euro a day.

The competition fee = 85 Euro (630 kr) a day (from Saturday to Sunday morning incl. logy, dinner and breakfast (without alcohol at the dinner).

If you wish to come and scout some days before, we have booked Flakfortet from Wednesday morning and the logy also cost 85 Euro a day (bed, bedding, dinner and breakfast). Many foreign teams will arrive Wednesday for some scouting, fun and spearfishing.

A Danish fishing license is required and cost 17,50 Euro = one week (one day is = 5,5 Euro).

: If you arrive in the evening, there will be no dinner and the price that one day, will be 60 Euro (440 kr) ( Bed, bedding and breakfast).

: If you only want competition and gala dinner(no bed) = 55 Euro (400 kr)

: For students and young spearoes(max 25 years) – this year we offer the possibility to put up a tent or stay in a shelter(at Middelgrundsfortet). This will cost 50 euro a day and is incl. breakfast and dinner.

If someone only would like to participate in the gala dinner and price-ceremony (wife etc.) the cost will be 40 Euro ( 300 kr). Please contact William by mail: [Williamsiefert@sol.dk](mailto:Williamsiefert@sol.dk)
