

Once again it is with great honor Dansk Sportsdykker Forbund and Scorpene invite you all to join the Öresund cup - The 3rd Battle of Copenhagen - 2019.

It will be the start OF THE LEGENDARY SPEARFISHING YEAR AT DENMARK 2019. Öresund cup & Euro African Championship at September in Great belt.

The 3<sup>rd</sup> Öresund cup will as usual take place in an old military fort just outside the center of Copenhagen. The fort is known from: Slaget på reden (The battle of Copenhagen), in 1801 - a big ship battle between most of the English and the Danish + Norwegian fleet. The British Lord Nelson drew the victory and around 2500 men were killed during the 4 hours the battle lasted.

This Battle we will fight in May 2019, will not be as meaningless and cold-blooded, even thou it will last more than **6 hours**.

It will be a **boat competition, with 3 spearoes in each boat - both team and individual**. There must be one from the team in the boat at all time!! Öresund is a place with a lot of current and a lot of boat and ship traffic - so therefore this rule! - GPS is allowed. All can mix up a team and participate.

Öresund is properly the best place to spearfish in Denmark in the spring and all the record cods are caught here. It is a place with lots of old shipwrecks and many grounds where the cod hangout in May. The fish can be found from 3 to 20 meters. May is also the period where the big turbot are in the shallow water.

There will be a maximum of 5 fish of each species.

The Scorpena team will be main sponsor and bring the very nice T-shirt and surface buoys to all participators. Also they will bring the very nice prizes for the 3 best teams and the 3 best in the individual. The best prize goes to the biggest fish caught in Öresund. More info to come!

We will stay at **Flakfortet**, where there are beds for 50 people. Here in the restaurant, we also will enjoy the gala-dinner (with space for more than 200 people), after-party and have breakfast Sunday morning. Everything is set for a crazy night on the island in the middle of Öresund.

This year it will be necessary that each team brings own boats (if possible). There are 5 small ribs for free – one for each. The captain from each nation will set the team that gets the free boat. So the first 5 nations get one free boat. If you come from abroad alone and would like to join, then contact William and maybe there are spaces on a Danish boat.

The competition fee = 85 Euro (630 kr). From Saturday to Sunday morning incl. logy, dinner and breakfast (without alcohol at the dinner).

If you wish to come and scout some days before, we have booked Flakfortet from Wednesday morning and the logy cost 85 Euro a day (bed, bedding, dinner and breakfast) and will be paid along with the competition fee. Many foreign teams will arrive Wednesday for some scouting and spearfishing.

Each team has to split the gasoline cost.

A Danish fishing license is required and cost 17,50 Euro = one week (one day is = 5,5 Euro).

There will be different kind of fee`s :
